Objective: To obtain a position within the Concrete Construction Industry.

Education: **Bachelor of Science in Concrete Industry Management**

- Middle Tennessee State University
- Expected Graduation- May 2009

Bachelor of University Studies in Liberal Arts

- Middle Tennessee State University
- Graduated May 2007

Experience: **Quality Control Inspector**, Metromont, LaVergne, TN, August 2007 – September 2008

- Performed pre-pour inspections on different types of precast products
- Inspected three different production beds simultaneously
- Performed ACI Level I tests on concrete daily
- Volunteered to become first QC to move to nights for a more efficient post pour. Tasks were to check and break cylinders to make sure bed is ready to strip. Check product according to the blueprints and email day shift managers if any problems occurred from that days production
- Able to communicate in Spanish speaking environment

Lab Assistant, Murfreesboro, TN, January 2007 – May 2007

- Helped conduct lab experiments at Middle Tennessee State University CIM lab. Students learned the basic knowledge of mixing, testing and finishing concrete.
- Administered the ACI Field Testing Technician Certification Test

Activities: Middle Tennessee State University Football Team 2002 – 2006

Volunteered for Special Olympics 2004 – 2006

Helped the Fire Department with Murfreesboro Night Out 2006

Honors: Earned five year scholarship for Division I Collegiate Football

Four year Division I letterman in Collegiate Football

Chosen to be Team Captain for three games of Senior Season

Helped lead team to the first bowl game in MTSU history

Affiliations: ACI Flatwork Technician, August 2006 – Present

ACI Field Testing Technician, February 2006 – Present

PCI Level I & II Quality Control & Assurance Certification, May 2008 – Present
