### Mack Trucks & McNeilus Company Donate Truck and Mixer

The Concrete Industry Management (CIM) program is pleased to announce that the signature item for our eighth annual auction at World of Concrete is a Mack® Granite® Axle Back model equipped with a McNeilus 11-cubic-yard concrete mixer donated by Mack Trucks, Inc. and McNeilus Co., a Division of Oshkosh Truck.

"Our signature item, the truck chassis donated by Mack Trucks and an 11-cubic-yard concrete mixer donated by McNeilus Company, is the strong foundation we need to help ensure a successful CIM Auction at the 2013 World of Concrete," said Michael Philipps,

CIM Auction Committee Chairman. "The fact that these two industry leading manufacturers have donated the ready mix truck and mixer speaks volumes of their commitment to the concrete industry and the importance they place on the CIM program."
