“Mack Trucks is proud to support the CIM auction by donating the proceeds from the sale of a 2026 Mack Granite chassis,” said Tim Wrinkle, Senior Product Manager for Mack Trucks. “Partnering with Con-Tech Manufacturing, Inc. we’re excited that this contribution will help prepare the next generation of concrete industry leaders for successful careers.”

The Con-Tech BridgeKing Mixer includes the following options:

- 11-yard HP Drum with 46” Discharge Opening

- ¼ Fin and 3/16 Skin
- Tip Up Hopper
- R/E Electric Cab Controls
- ZF Gearbox
- Eaton RE Heavy Duty 54 Series Hydrostatic Drive
- 150-Gallon Alum Cross Mount Water Tank
- Aluminum Fenders
- Steel Extension Chute
- Front and Rear Roller Guards

“Con-Tech Manufacturing Inc. is proud to collaborate with Mack Trucks to support CIM programs,” commented Con-Tech Manufacturing, Inc. President Dan Welsh. By donating the proceeds from the sale of a BridgeKing mixer, this joint effort will help empower the next generation of concrete industry professionals.”

The annual auction will be held on Wednesday, Jan. 21, 2026, in the North Hall of the Las Vegas Convention Center. For a full list of items, please visit www.concretedegree.com/auction.

Those interested in donating should contact CIM Auction Committee Chairman Ben Robuck at ben.robuck@cemex.com or (404) 456-6867.

About CIM

Receiving tremendous support from the concrete industry, the CIM program was the first of its kind in the United States – a four-year Bachelor of Science degree in Concrete Industry Management. The need for such a program was identified in 1994 and was put into action by the concrete industry. The end result was a partnership between the concrete industry and Middle Tennessee State University (MTSU) to develop the CIM program, implementing it with its first two students in 1996. Available at MTSU, California State University - Chico, New Jersey Institute of Technology, South Dakota State University and Texas State University, the program has been successful for both the industry and graduates. An [Executive MBA Program](#) in CIM is also offered through MTSU.
